# THE ADVENTURE BEGINS WITH THE BOOKS...

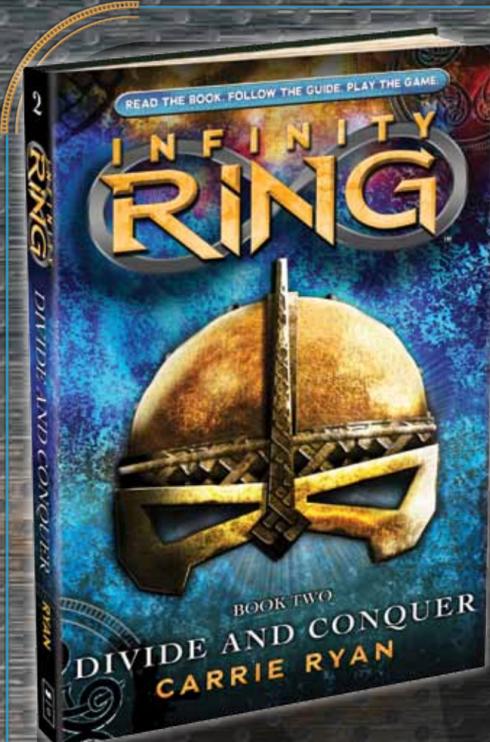

## INFINITY RING BOOK 1: A MUTINY IN TIME By James Dashner

When best friends Dak Smyth and Sera Froste stumble upon the key to time travel—a hand-held device known as the Infinity Ring—they're swept up in a millenia-long secret war for the fate of mankind. Recruited by the Hystorians, a secret society that dates back to Aristotle, the kids learn that history has gone disastrously off course. Now it's up to Dak, Sera, and teenage Hystorian-in-training Riq to travel back in time to fix the Great Breaks...and to save Dak's missing parents while they're at it! Their first stop? Spain, 1492, where a sailor named Christopher Columbus is about to be thrown overboard in a deadly mutiny.

**Game Episode #1:** *A Mutiny in Time* is packaged with a full-color, collectible Hystorian's Guide, a combination map and strategy guide, which unlocks an all-new online story adventure. Fresh from a deadly fight on the deck of the *Santa Maria*, Dak, Sera, and Riq arrive in Paris in 1792. In the high-stakes game episode, readers play as the main characters and serve a vital role in the French Revolution!

## INFINITY RING BOOK 2: DIVIDE AND CONQUER By Carrie Ryan

Dak, Sera, and Riq are in over their heads when they attempt to stop a Viking invasion! Thousands of warriors are laying siege to medieval Paris—and Dak is on the wrong side. Captured and forced to work alongside the Vikings while Sera and Riq defend Paris from within, Dak must somehow prevent the invasion—while saving himself!

**Game Episode #2:** The Hystorian's Guide packaged with Book 2 unlocks the online story adventure that time-warps readers, playing as Dak, Sera, and Riq, to Washington DC during the War of 1812. Can our heroes save Dolly Madison from the oncoming British soldiers, or will she become a POW, drastically changing the outcome of the war?

# AND CONTINUES WITH THE INFINITY RING GAME!

The Infinity Ring game invites readers to experience time-travel adventure firsthand by fixing the Great Breaks. Each Infinity Ring book contains a unique code that unlocks the next all-new historical adventure that unfolds within the game. Using the Hystorian's Guide that comes with each book, readers will play as Dak, Sera, and Riq to explore an immersive historical setting, meet famous figures from the past, solve puzzles—and save the world!

## A BRIDGE BETWEEN THE BOOKS AND THE GAME!

Each book comes with a Hystorian's Guide that acts as a direct link to the game. The full-color, two-sided strategy guide helps users navigate the historical setting.

A letter from a Hystorian tells you what the next Break in history is—and how you can fix it!

Images prepare you to recognize allies and enemies.

Your unique code unlocks the full game.

The map will help you find your way around the city.

Icons will lead you to items you'll need for side quests.

## THE 3D, ACTION-PACKED GAME CONTINUES THE STORY WHERE THE BOOK LEAVES OFF.

Each game episode, while standing on its own as a complete adventure, ties in to the ongoing plotline of the books.

## SOPHISTICATED GAMING TECHNOLOGY

A 3D game engine provides an immersive world that players can explore and interact with on all platforms—computers, smartphones, and tablets.

## EXPERIENTIAL HISTORY

Players explore realistically designed historical locations, while meeting and talking to famous historical figures.

## ONGOING ENGAGEMENT

In between episodes, users are encouraged to return to the website to complete optional side quests, share photos they've taken in-game, partake in online forums, review their medals, and explore book pages.
